Working student Product Management Occupant Safety and Sensors (f/m/div.)
Robert-Bosch-Allee 1, 74232 Abstatt, Germany
Part-time
Legal Entity: Robert Bosch GmbH

Company Description
At Bosch, we shape the future by inventing high-quality technologies and services that spark enthusiasm and enrich people’s lives. Our promise to our associates is rock-solid: we grow together, we enjoy our work, and we inspire each other. Join in and feel the difference.

The Robert Bosch GmbH is looking forward to your application!

Job Description
- Become part of our agile team and get a deep insight into automotive business, products and innovation drivers. As our smart Product Management work student, you contribute to the development of the business- and product strategy.
- You support the development of the business- and product strategy. This includes the analysis of the worldwide market and competitor situation for products of active and passive safety.
- Furthermore, you develop concepts of innovative product ideas and evaluate business scenarios.
- As collaboration plays a big role in our success, you will work together with different disciplines, e.g. sales and engineering.

Qualifications
- **Education**: studies in the field of Technical Management, Marketing, Product Management, Economic Engineering, Mechanical Engineering or comparable
- **Experience and Knowledge**: first knowledge in Marketing or Product Management
- **Personality and Working Practice**: well organized with analytical and conceptual skills, structured, creative, motivated, team-oriented, good communication skills, able to work in cross-functional teams, solve problems in a proactive and focused manner
- **Languages**: fluent German and English

Additional Information
**Start**: October 2023
**Duration**: 6 months – 15 h/week

Requirement for this working student position is the enrollment at university. Please attach your CV, transcript of records, enrollment certificate and if indicated a valid work and residence permit. Diversity and inclusion are not just trends for us but are firmly anchored in our corporate culture. Therefore, we welcome all applications, regardless of gender, age, disability, religion, ethnic origin or sexual identity.
